A large programme had been prepared, consisting of about thirty events for which a great number of entries had been made.

had been made.

Seventh Race—Kingstock, St. Luke, Jersey
These events were made up of practical and
Pat. These events were made up of practical and technical turning, throwing the hammer, putting the stone, juncting, vauiting, running, turning, exercising on the horizontal and parallel bars, the horse, the rings, the trapezand the ropes. Calisthenic exercises were given by the indies of the different societies. There was also a continuation of yesterday's pionic, with music and dancing, and a summer-night's festival will bring the day's embyinent to a close. The grounds will be chloyment to a close. The grounds will be fluminated and there will be a grand display

of irrowerks.

To-morrow the contests of the three groups and of individuals will be continued and the prizes will be awarded in the evening.

Wednesday the members of the Turn Vereins, their families and friends will go to linckaway B-ach, where the prize swimming contests, for which many competitors are entered, will take place in the bay.

This will evacuated one of the finest that has even been pronounced one of the finest that has even been heid.
